# ARKON

PORCELAIN | MATTE

### DESCRIPTION

A unique design inspired by the natural elements of stone and slate, Arkon provides the soothing ambiance required to relax whether it be in the living room or bathroom. This versatile series can be installed on both the floor and wall of any interior, allowing for a cohesive finish. The matte finish highlights the authentic inspiration of natural stone creating mimicking the depth and detail created over time by erosion and the natural elements of the earth.
