

PROVENCE

CERAMIC | GLOSSY | MATTE

DESCRIPTION

A classic subway tile reimagined, to meet and reimagine a traditional look and feel. Available in 8 striking colours with the option of a gloss or matte finish. The timeless aura of subway tiles make this series very flexible when creating a living or work space. This tile features depth which is impacted by natural or artificial light highlighting the detail and well crafted design. Depending on your style preference, the possibilities are endless and the creative flow begins using this blank canvas.
